Our Two Funds...

CONVALESCENT ENDOWMENT FUND

The Convalescent Endowment Fund (CEF) is our irrevocable trust fund, the assets of which remain in perpetuity working to create income for the Convalescent Relief Fund (CRF). This fund is the workhorse of our charitable endeavors and gift-giving. By increasing our endowment fund assets, we significantly and automatically increase the value of our Relief Fund. Focusing on giving to the Endowment Fund strengthens our philanthropic financial bases. The more we give to Endowment, the more income we can contribute to Shriners Hospital for Children® - Canada.

CEF and CRF in Canada make up the Canadian Foundation—a recognized registered foundation.

CONVALESCENT RELIEF FUND

The Convalescent Relief Fund (CRF) is our ready NOW fund — the vehicle we use to extend our monetary support to the outpatient children of Shriners Hospital for Children® - Canada each year. Donations from individuals and Subordinate Temples are made to the Relief fund throughout each fiscal year, providing a remarkable accumulation of assets for our annual gift to Shriners Hospital for Children® - Canada.

CHARITABLE GIVING**

As a unique and vital part of the Masonic Fraternal family, Daughters of the Nile in Canada and the United States join hands across the border to work together in FRIENDSHIP, CHARITY and TRUTH. Our common philanthropic goal of assisting the Shriners with their special children exacts that we make appropriate choices in our planned giving. It is also best to consult your personal professional counsel before adding to or changing your will.

Canadians enjoy the benefit of receiving a tax receipt for contributions to CEF and CRF. The proper forms are available from the Canadian TrusteeK

Making a Difference ...

Daughters of the Nile has prospered as a social and charitable fraternal organization since its inception in 1913. Our fundamental three-fold philosophy of FRIENDSHIP, CHARITY and TRUTH provides a solid foundation for living.

Funds raised in Canada by Daughters of the Nile are administered by the Canadian Foundation and channeled to the Shriners Hospital for Children® - Canada.

The Shrine Hospital in Canada, which was built in Montreal in 1925, was replaced with a state-of-the-art facility in 2015. Canadian Daughters of the Nile have raised more than \$5,000,000 in support of Shriners Hospital for Children® - Canada.. Your gift, regardless of its size, will promote everlasting benefits to special children for generations to come.
