

**MY GIFT PROGRAM  
CANADIAN FOUNDATION BOOTH REPORT  
Princess Shirley Y. Smith My Gift Committee  
Zarah Temple No. 72 Vancouver, British Columbia**

The My Gift Program continues to be a popular way for our Canadian Members to make a difference in the lives of the children receiving care at the Canadian Shriners Hospitals for Children – Canada. A large portion of the success of the program goes to Doriann Stein who has urged and guided and inspired the My Gift Program Committee to find exciting gifts that all of you “just can’t live without.” Doriann has now retired to share her talents and people skills in other avenues. We will miss you Doriann but welcome on board Nan Galbraith. The My Gift Committee is looking forward to working with you Nan for the children.

I ask that Catherine Russell, Past Queen, Zarah Temple No. 72 make her way to the stage. Catherine you have done an outstanding job of organizing and operating the My Gift Canadian Foundation Booth for another year. The donations received during the Cincinnati Supreme Session are a direct result of your dedication to the My Gift Program. Please join me in expressing our appreciation to Past Queen Catherine Russell. I am proud and honoured to announce that our Canadian Ladies of the Household have once again showed their generosity and support of the My Gift Incentive Program. The donations received during the 2018 Supreme Session total \$8,075.00.

Special thanks to each and every one of the ladies who have year after year worked at the booth during Supreme Session and to our new volunteers. The warmth of your welcome and your smiles to all who visit the booth are a huge part of the success of this program. Would all the booth volunteers please stand and be recognized.
