

Give a Gift Get a Gift

The Daughters of the Nile *My Gift Program* was introduced in 1955 when the Stepping Stones to Happiness certificate made its debut. This program allows donors to make a contribution to the Canadian Foundation Convalescent Endowment Fund and receive a gift in return. Since the original incentive item was introduced, many beautiful items have been added. Also, limited edition items are available. Pictured below is front and back of a new pewter item.

Canadian order forms are accessible on line at www.donctf.ca. All of the items make wonderful gifts to give or to keep for yourself. And best of all, each gift represents a donation to the Canadian Convalescent Endowment Fund and a gift in the lives of the special patients of Shriners Hospital for Children® - Canada.

Since 1924, Daughters of the Nile has contributed monetary gifts amounting to over \$66 million to assist with the medical care and rehabilitation of children treated at Shriners Hospital for Children®. The Canadian Foundation was formed in 1997 and since that date has been solely responsible for the Daughters of the Nile donations to Shriners Hospital for Children® - Canada.

****Special Announcement from the Canadian Member Trustee, Daughters of the Nile Canadian Foundation - Wendy Batty, PQ****

The dedicated and consistent support from our Canadian Nile members has resulted in the Daughters of the Nile Canadian Foundation reaching its goal to place a 6th million dollar gold plaque at the Shriners Hospital for Children® - Canada. Join us in the fall of 2021 when our Canadian Supreme Queen will be unveiling this very special plaque.

SEASON OF THE CHILDREN

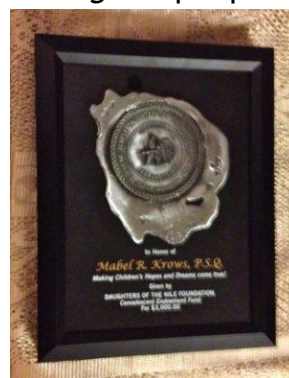

ORNAMENT COLLECTION

The series of ornaments is unique in that each one is designed to reflect the Egyptian tradition of Daughters of the Nile. In June each year, a new ornament, selected by the Supreme Queen, is introduced and the previous year's is retired. The current year's ornament is available for a lower contribution than those that have been retired. This is a lovely gift and creates a lovely collection.

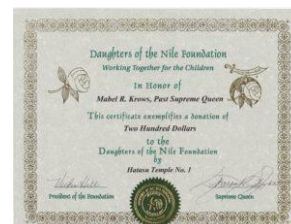

PLAQUES

A *My Gift Foundation Program* plaque is a great way to honour an individual, your Temple, a Unit, or group. Plaques are available for donations of \$100 to \$3,000 or more. Each plaque includes personalized engraving. Use the plaques to honour a special member or fill a display case in your Temple with items from the *My Gift Foundation Program*.

CERTIFICATES

The *21st Century* and *Gold Certificates* are a great gift for a member, loved one, or special friend. Either could also be a special remembrance for departed loved one.

CARING FOR KIDS PINS

Each year a new, colourful pin is introduced and depicts children living full and productive lives. Each pin is a symbol of the work done by Shriners Hospitals for Children® as they make dreams come true for the children and their families.

PLEDGE PROGRAM

The *My Gift Foundation Program* offers the opportunity to make a pledge in the pledge program.

Donors may spread their donations over a five-year period or make the entire contribution at one time. These items typically include an item to display and a pin to wear.
