

Holiday Sharing Program

This Holiday Season the Daughter's of the Nile Canadian Foundation encourages our members participate in the Holiday Sharing Program.

The Shriners Hospital for Children® – Canada is driven to make lives richer, easier and less complex for children and families. They provide compassionate and innovative treatment to children with complex or chronic disorders – such as osteogenesis imperfecta (brittle bone disease) and severe spinal and limb anomalies – and those who need reconstructive surgery and rehabilitation.

This Christmas add a Shriner Child to your gift list. Your gift will enable the purchase of equipment such as anesthesia systems and spine surgery tables for operating rooms; Patient-Controlled Analgesia pumps for an inpatient unit; cardiac monitors for every patient room.

Your gift will make a difference in the life of a Shriners patient.

Donations must be received by December 20, 2023 to receive your tax receipt for the year 2023.

Donations can be made by eTransfer to: donation@donctf.ca

Cheques payable to **Convalescent Relief Fund** can be sent to:
